

## Accessing the Interactive Map

- 1) Go to the Far East Area Plan web page: <https://www.columbus.gov/planning/FarEast/>
- 2) Click the link that says “How do I comment on the DRAFT Recommended Land Use Map?”
- 3) Click the “Public Input Web Application” link.
- 4) The following splash page will appear. Click “OK” to proceed to the map.

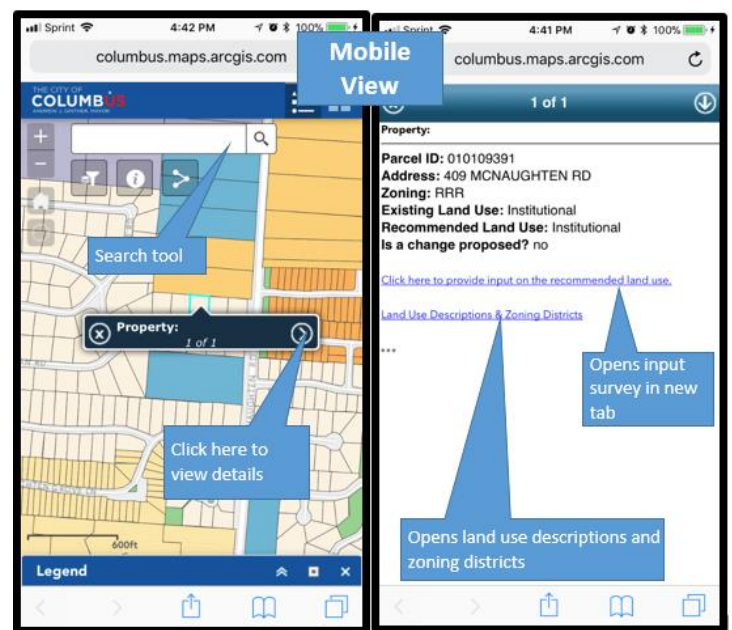

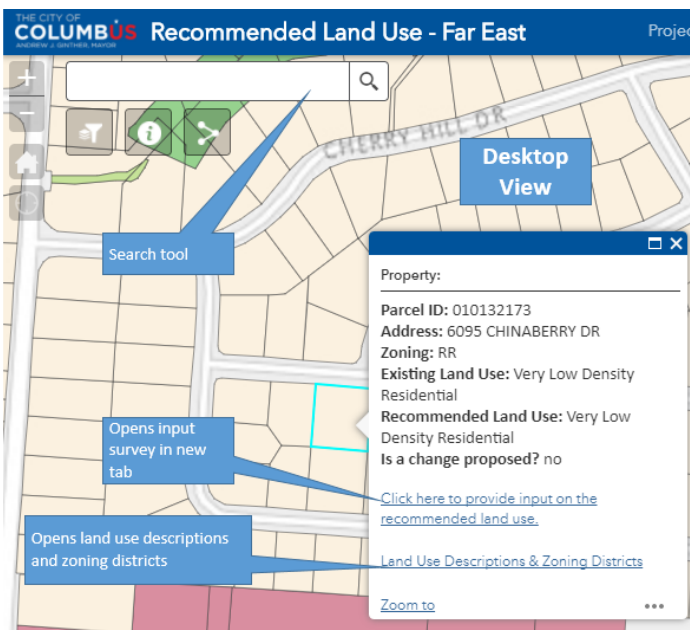

### How to use the map

The graphic below shows you some of the features of the public input web application:

- 1) Move around the map to find a parcel of interest or enter an address or parcel ID in the search tool to zoom to a location. Click on the parcel for additional information.

- 2) Provide your input on the parcel you have selected. Each survey is attached to the specific parcel you selected.

### Recommended Land Use - Far East
